

ADMIRAL STANSFIELD TURNER

22 JUL 1977

Dear Captain Nehme,

Thank you so much for your thoughtful note extending greetings to me from Colonel Fares Lahoud.

I do indeed remember Fares well and the pleasant relationships we had at the Naval War College. I would be pleased if you would extend my warmest best wishes to Fares when next you see him.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "Stansfield Turner", written in a cursive style.

STANSFIELD TURNER
